

BULGARIA  
IS INVADED  
FROM SEA

Russian Naval Vessels Convoying Sixteen Transports Filled with Troops Are Reported to Have Begun Bombardment of Varna on the Black Sea

TWO DESTROYERS  
AND CRUISER APPEAR

Several Times Previously Russian Drives at Bulgaria from This Direction Have Been Reported, but Facts Did Not Bear Out the Reports

Russia has brought troops by the sea to the Bulgarian coast, according to a circumstantial report from Athens to a London news agency.

Unofficial accounts from Constantinople of British withdrawal from two Gallipoli peninsula fronts evacuated declare that the British had been driven to the sea by a Turkish offensive movement in which heavy losses were sustained by the allies. The British accounts of the withdrawals reiterate that it was effected with few casualties, and one correspondent says that not even a single machine gun was lost.

Everything indicates the Greek frontier will be crossed by Austro-German, Bulgarian and Turkish forces as soon as they are ready, despite the protests of Greece, according to a Saloniki correspondent.

The Turks are reported to have concentrated two divisions close to the border. Turkey will be able to supply Germany with quantities of cotton and copper and other needed materials as soon as the transportation problem is solved, which is expected soon, declares Nazim Bey, the secretary of the Young Turks' committee, in an interview in Berlin.

London, Dec. 21.—The arrival of a Russian expedition off the Bulgarian coast is reported by the Athens correspondent of the Exchange Telegraph company. He says a Russian cruiser and two destroyers conveying sixteen transports filled with troops have arrived off the Bulgarian coast and are bombarding Varna vigorously.

The Bulgarian port of Varna on the Black sea is a few miles south of the Rumania border. On several occasions since the beginning of the Teutonic drive through Serbia it has been reported that the Russians would attempt an invasion of Bulgaria from the sea. Previous dispatches reporting Russian naval demonstrations before Varna, presumably preparatory to an effort to land troops, have not subsequently been borne out.

## 44 AIR FIGHTS IN A DAY.

One British Aeroplane Missing; Four German Machines Sent Down.

London, Dec. 21.—The British official statement made public last night says: "Opposite the southern and center portions of the line we bombarded several parts of the enemy's trenches. Hostile artillery shelled Ypres and St. Jean this afternoon. It was active also against our front line and the support trenches southeast of Ypres during the day."

"We replied by shelling the enemy's front line trenches along Zonnebeke, Sandvoorde, Gheluvelt and Tenbrelle."

"Early to-day the enemy made a bombing attack near the quarries north-west of Bullich. The attack was repulsed. Yesterday there was considerable activity by the enemy's aeroplanes. They attempted to prevent our reconnaissance machines carrying out their work, but the attempts were unsuccessful. During the day there were 44 combats in the air, two enemy aeroplanes being killed within the enemy's lines and others driven down in a damaged condition. One of our machines is missing."

PRUSSIAN CASUALTIES  
ALONE ARE 2,278,083

Added to That Are the Losses of Three Provinces, the Navy and German Officers with the Turkish Army.

London, Dec. 21.—According to Nieuwe Rotterdamse Courant, the latest Prussian list of losses to be published contains 42,825 names, making the total Prussian losses 2,278,083, says the Amsterdam correspondent of Reuters' Telegram company. This total does not include the Saxons, Wurttembergers and Bavarians lists, nor the lists from the army or the lists of German officers in the Turkish army.

All these various lists of losses, if published in book form, would make 350 volumes of 450 pages each, the newspaper says.

## APPEAL TO BRITISH LABOR

To Produce Munitions Which the Army and Navy Demand.

London, Dec. 21.—David Lloyd George, minister of munitions, gave an account of his stewardship in the House of Commons last night.

GERMANY PUTS  
BLAME ON U.S.

Says Lusitania Case Was About to Be Settled When Attacks Were Recalled

## SHARP NOTE TO AUSTRIA ALSO RESENTED

Claim Made 'Would Be Unwise to Oppose Popular Opinion Now

Washington, D. C., Dec. 21.—A full settlement of the Lusitania case, including reparation for American lives, which, it became known to-day, recently was near, has been postponed by the dismissal of the German naval and military attaches and the American demands on Austria as the result of the sinking of the Ancona. Consideration of the state of public opinion in Germany because of these two acts of the American government, according to reliable information has caused Berlin officials to decide that such a settlement as might be satisfactory to the United States would not now meet popular approval in Germany.

An agreement, it was said, was practically reached soon after the American note to Great Britain protesting against interference with neutral trade had been published in Germany. The note, it is said, created a remarkable pro-American sentiment and public opinion approved of reparation. A bit in making a settlement of the Lusitania controversy possible. The negotiations between Lansing and Von Bernstorff were progressing when the United States demanded the withdrawal of Von Papen and Boyed.

## SELECTED AS RHODES SCHOLAR.

Raymond L. Grismer, Senior at University of Vermont, Gets Honor.

Burlington, Dec. 21.—Raymond L. Grismer of this city, a member of the senior class at the University of Vermont, was yesterday elected Rhodes scholar from Vermont and will go to England to take up his studies at Oxford university next fall. The action of the committee was unanimous. Other candidates for the scholarship were W. C. Gilbert of Dartmouth college, Carroll G. Ross of Middlebury college and Frank H. Tinsley of Tufts college. All three will be eligible two years from now.

Mr. Grismer is the son of Rev. and Mrs. C. A. Grismer and is a graduate of the Burlington high school. While a senior at the high school he took three years' Greek in one, and at the entrance examinations at the university he was the winner of the \$20 prize for highest standing in this subject. He has excelled in the classics throughout his college course and now stands second or third in his class.

Mr. Grismer passed the Rhodes examinations two years ago but was then considered too young for the position by certain members of the board as he was then but 18 years old. He is a member of the college debating team, of the Delta Psi fraternity and is manager of the university tennis team.

The members of the board at yesterday's meeting were Dr. Gay Potter, president of the University of Vermont, and president of the board; Rt. Rev. A. C. A. Hall, bishop of Vermont; Dr. J. M. Thomas, president of Middlebury college, and Mason S. Stone, state commissioner of education. The Hon. J. A. DeLoe of Montpelier, who is seriously ill, sent a note to the presiding officer in his own handwriting approving whatever action the board should take.

## LEG BROKEN BY TRAIN.

Was Trying to Get Handcar Off the Track.

Bennington, Dec. 21.—Patrick V. Ferrout, about 35 years old, sustained a fracture of one leg and possibly of both yesterday afternoon, when struck by a Burlington railroad light engine near North Bennington while working with a gang of section men over whom he was foreman. He was taken to a hospital in Troy, N. Y. He is married and has two children.

Perrott and his men were at work upon the track when the engine, on the way from Rutland to Chatham, N. Y., was heard approaching. The men removed their handcar from the rails and the engine applied the brakes seeing that the workmen were having some difficulty in clearing the track. Perrott was the only man injured.

## ANTIS HAVE LAST WORD.

Appeared Before Senate Committee to Combat Suffrage.

Washington, Dec. 21.—Antis had the last word yesterday in the pro-suffrage women's suffrage campaign. They appeared before the Senate women suffrage committee to combat pro-suffrage arguments.

Both sides plan a new drive upon Congress after the holiday recess.

## SULZER POPS UP AGAIN.

Urges Union of Prohibition and American Parties.

Syracuse, N. Y., Dec. 21.—Former Governor William Sulzer announced himself as an ardent prohibitionist in an address before the state prohibition committee in annual convention held last night, speaking before the committee after the adjournment of the convention.

## PROMINENT MAN SUE.

Charles E. Clark of Pawlet Defendant in \$8,000 Alienation Suit.

Rutland, Dec. 21.—Pawlet in a suit instituted in Rutland county court have been served by Deputy Sheriff Henry R. Adams of this city against Charles E. Clark of Pawlet in which William G. Porter of the same town seeks to recover heart beat of \$8,000, alleging the alienation of Mrs. Porter's affections. The case is returnable at the March term of county court and is brought by Attorney T. W. Maloney. Attorney Joseph C. Jones of this city has been retained by Mr. Clark. Both are well known citizens.

The defendant was postmaster under the McKinley, Roosevelt and part of the Taft administration. He was chairman of the board of selectmen in the town of Pawlet for a dozen years and he acted as special administrator of the estate of Fayette Potter, the man who left the town of Pawlet \$80,000 while the will was fought through three Vermont courts.

Mr. Porter is the mail carrier on route No. 2 and he has been in this position since the establishment of the route.

## CLERGYMAN'S ESTATE SUE.

Mrs. Mary A. Freeman of Richmond is the Plaintiff.

Bennington, Dec. 21.—A hearing was begun yesterday in Bennington county court on an action brought by Mrs. Mary A. Freeman of Richmond to recover \$5,000 on a note from the estate of Rev. A. J. Barron, late pastor of St. Francis DeSales church.

The action is taken as an appeal from the ruling of the commissioners of the estate not to allow the note, the genuineness of which was doubted by the commissioners. The church authorities are unable to find anything on the books of the parish to show that the late pastor received such an amount of money.

## MONTPELIER

Community Christmas Tree in Position—City Hall Being Decorated.

Montpelier's community Christmas tree was placed in its position on the lawn in front of the city hall this morning, the tree, which is to be ablaze with light and loaded with presents for the little folks here, is being decorated with nearly 30 feet of garlands. The tree is the result of the Women's club efforts to follow the example of other cities throughout the state and country and to render some assistance. Workmen were busy this forenoon in decorating the front of the city hall with holly, and an electric sign with the letters spelling "Merry Christmas" will be placed directly over the entrance. The usual white lights on the small balcony over the entrance of the building have been replaced with those which send out a purple glow and the city hall all this week will resemble an electric palace with big 250-candlepower lights in use in the offices. In the water department office there have been placed four of the 250-watt lights and the same is true in the city clerk's office and the police headquarters.

In the offices holly leaves have been hung in the windows and bells and colored paper strung from the four corners of the rooms. To the occupants of the different offices and to Mayor Boutwell belongs the credit for the interest taken in making the city hall take on an unusual attractiveness for the holiday.

In probate court to-day Gilbert T. Miles of Middlesex settled his account as administrator of the estate of Amanda Newhall, late of Middlesex. Mrs. Mary B. Clarke of Montpelier was appointed administratrix of the estate of Dayton P. Clarke, late of Montpelier. The will of John Emmons, late of Montpelier, was presented for probate. The will of Daniel Worcester, late of Roxbury, was also filed for probate.

Joseph Casci, who has been visiting for the past week with his sister, Mrs. A. Bernadine of Main street, returned this forenoon to his home in Concord, N. H.

Former Attorney General John G. Sarver of Ludlow was a business visitor in the city to-day.

Sergeant-at-Arms Frank T. Parsons, Purchasing Agent Dewey T. Hanley, Thomas H. Cave, Jr., J. E. Joselyn and George O. Carpenter, commissioner of weights and measures, went this morning to the funeral of the late Mr. Graham. They made the trip in Mr. Carpenter's automobile.

Hubert Conlin, who has been employed for the past year in Detroit, Mich., has arrived home to spend Christmas with his parents on Prospect street.

A fatal accident, the ninth to be reported to the board, which occurred at Poultney Dec. 16 with James Kompean, a quarry worker, the victim, was reported this morning to the industrial accident board. He was employed by the New York Consolidated State company and death was caused by the falling of a stone from a chain. He was instantly killed.

Brass Chatterman, author of the play, "The Man from Virginia," which was produced by local talent in armory hall several weeks ago and who has since been making his headquarters in Montpelier, left this morning for Bellows Falls, where he will make a brief business visit before proceeding to Boston.

The police have been notified of the fact that persons have been coming from the city to the park dragging behind them small Christmas trees and an investigation will be conducted to determine, if possible, the identity of those who have appropriated the trees, many of which were laid out by the park commissioners at a considerable expense.

At St. Augustine's rectory at 7:30 o'clock last evening the marriage of Miss Jane Carey to James Francis Barry of Portland, Me., was solemnized by Rev. F. J. Long. They were attended only by Miss Andrew Carey, a sister of the bride, and George Lewis of Barre.

No announcement cards were issued. The bride is the daughter of Patrick Carey of Northfield street, Montpelier, and for several years she has conducted with her sister, Miss Carey, a traveling sales company for the Royal Baking Powder company and has been located for the past year in New York City. She expects to be transferred to a territory on the Pacific coast and they may reside in that section of the country. Mr. and Mrs. Barry left on a wedding tour to New York.

FALLING FLOOR  
KILLED TWO

Boston Fire Fighters Went Down in Factory Blaze on Cambridge Street

TWO OTHER FIREMEN  
SERIOUSLY HURT

One by Collapse of Floor, the Other by Falling from a Ladder in \$50,000 Fire

Boston, Dec. 21.—Two firemen were killed and a third was seriously injured when a floor collapsed in a burning factory building on Cambridge street early this morning. The victims were as follows:

Dead.  
Dennis A. Walsh.  
Charles C. Willett.

Injured.  
William McCarthy.

The trio were fighting fire on the third floor of the six-story building when the floor gave way and buried them. It was more than an hour before their comrades could reach them, and Walsh and Willett were found to be dead. Another fireman, William J. Connell, was badly hurt by falling from a ladder.

The fire caused a loss of \$50,000 to the building, which was occupied by the Glenbrook Wine company, the National Rubber company and the Massachusetts Thread Works. The fire started on the second floor and worked upward through the roof.

The inmates of the Charles street jail, located just behind the burning building, were roused and made ready for removal if it should become necessary; but the firemen were able to confine the flames to the factory building.

## TAKEN BACK TO NEW JERSEY.

Man and Woman Who Were Arrested in Poultney.

Rutland, Dec. 21.—Deputy Sheriff H. R. Adams and Policeman John J. Dowling of Chrome, N. J., arrested Bolislaim Pelyak and Mrs. Mary Ileski at Poultney yesterday on papers issued in New Jersey charging the couple with grand larceny. Both waived extradition rights and were taken on the afternoon train to New Jersey. The officer from New Jersey learned that the couple had shipped a package by express to Poultney, Vt., and he at once headed for this city. Early yesterday with Deputy Adams he went to Poultney and shortly afterwards they saw the couple, who answered the description, on the street. The man had a distinctive mark, a burn on his left wrist, which was discovered by the officers. It is charged that the couple under arrest broke into a trunk and stole \$70 in money.

## OPENING OF BIDS POSTPONED.

State Building Granite Contract Put Over to Dec. 30.

Because of the death of the mother of State Auditor Graham, the committee on the proposed state building did not open the bids for the granite contract this afternoon but adjourned the meeting until Dec. 30 at 2 p. m. Auditor Graham is a member of the committee.

## TALK OF THE TOWN

Herbert R. Lavin of Rome, N. Y., arrived in the city to-day to remain with friends until after the holidays.

Richard Halsall of North Seminary street, who has been sick since Oct. 8, was taken to the City hospital Sunday and operated upon.

Mrs. Elroy White and daughter, who have been visiting relatives in Williams-town for a few days, were visitors in the city this morning while on their way home to Craftsbury.

A reproduction, in frosting sugar, of the North bridge in Edinburgh is being displayed in the window of the City Bakery. The model is the work of John Oliver, a baker employed in the bakery. R. G. French of South Barre and Albert French of South Main street went this afternoon to East Barre, where they were summoned by the death of their brother, George W. French, which occurred this morning.

People in the habit of depending on the town clock for the time of day have been at sea for the last two evenings through the failure of a burned out electric light globe to illuminate the dial. At least it furnishes a new excuse for staying out late.

Earl Williams, a senior at Dartmouth college, Hanover, N. H., is the guest of his parents, Mr. and Mrs. E. A. Williams of Washington street, for a few days before leaving for Boston, where he will play on the Dartmouth basketball team on its regular vacation schedule.

The young ladies of the Phi Theta class of the Holding M. E. church were the guests of the teacher, Miss Alice Farnham, at her home on Camp street last evening. The guests occupied themselves with the making of Christmas boxes. Each guest was the recipient of a remembrance from the Christmas tree which was a prominent feature of the occasion.

Attorney William Whistler has received a letter from Robert Ryman, a former resident of Barre, advising him of his serious illness. Mr. Ryman's communication was dated at Cleveland, O., and in it was the information that the writer was entering a hospital for treatment. Here in Barre 25 Ryman will be remembered by a large number of people as a former member of the fire department. He was one of the first regular member after the paid department was organized and among other members of the volunteer fire corps in the city he is recalled as a former of unpaid efficiency.

## HONORED BY GRANGERS.

Mr. and Mrs. M. L. Town Also Very Much Surprised at Anniversary Party.

South Barre grangers joined last night in giving Mr. and Mrs. M. L. Town of west hill the surprise of their twenty-five years of married life. Invited to attend a play rehearsal at the grange hall, Mr. and Mrs. Town were undoubtedly taken aback when some 60 members of the grange entered the hall unexpectedly and announced that they had come to celebrate a wedding anniversary. Mr. and Mrs. Town quietly observed their silver anniversary Dec. 18, but it didn't make any difference last night and the merrymaking that followed the unexpected arrival of so many friends preserved all of the features of a genuine anniversary celebration.

There was a very enjoyable program of musical and literary numbers, beginning with a piano solo by Miss Eunice Eager. A humorous reading by W. M. Dudley followed and a reading which had for its theme 25 years of married life was given by Mrs. E. A. Carey. Next came an original poem of much merit, written for the occasion and read by Mrs. Leon Lord. Later Mrs. Lord contributed the last musical number to the program, an enjoyable vocal solo.

Speaking in behalf of the grange company, Don V. Camp presented Mr. and Mrs. Town a handsome silver ice pitcher and tray. In making the presentation, the speaker referred feelingly to the loyalty of the recipients in their relations with the grange as well as with their neighbors and friends outside the grange. Mr. Town spoke briefly, acknowledging the gift in a happy manner. Before the evening was over, a substantial lunch was served by the ladies.

Mr. and Mrs. Town were married in East Montpelier Dec. 18, 1890, the bride's maiden name being Miss Carrie Foster. Rev. Charles Dole, pastor of the Barre Universalist church, was the officiating clergyman and immediately after the wedding the couple came to Barre to reside. Here Mr. Town conducted a grocery business in the old opera house block, so called, for nearly 10 years. Fourteen years ago they moved to their present home, a splendid farm to the west of the city.

## DEATH AT EAST BARRE.

George W. French Had Not Been in Good Health for Some Time.

George W. French, one of the oldest residents of Barre Town, passed away at the home of Carl Taplin in East Barre this morning at 4:30 o'clock, the end following an illness of more than five weeks. Mr. French had been in failing health since last winter, when he suffered a severe attack of the grip that later developed whooping cough. He is survived by a sister, Mrs. Wylie of Elmira, N. Y., and two brothers, Albert French, who lives on South Main street, this city, and E. G. French of South Barre. Clayton H. French of Prospect street is a nephew of the deceased.

Mr. French was born in East Barre 81 years ago, one of several sons born to Mr. and Mrs. Otis French, who came to Barre from Massachusetts. The deceased never married. Throughout this section he was famed as a violinist, a fiddler of the old school, whose genius for music was the reason for his being very frequently in demand at public gatherings. Music of a kind that might prove so difficult of interpretation to musicians more advanced did not daunt Mr. French and a few rehearsals on his violin were usually sufficient.

The funeral will probably be held at the house Thursday afternoon.

## NON-SUPPORT ALLEGED.

Charles Young Was Given Another Chance to Make Good.

Charles Young of River street was locked up in a cell at police headquarters last night on a charge of non-support preferred against him by Grand Juror William Whistler. When arraigned before Magistrate H. W. Scott in city court this morning, the respondent entered a plea of guilty. Overseer W. J. Clapp of the charity department was called in conference, told of assistance rendered the man's family. Young expressed a wish that he be given another chance, whereupon the court suspended execution of sentence and put the respondent on probation.

Old George Sweeney got blamed for furnishing William Smith with Christmas whiskey yesterday. At least Smith, after pleading guilty to a subsequent offense, laid it off against an alleged mythical person named Sweeney. Apparently court and prosecutor gave the Sweeney story an appraisal far below par, for Smith was sentenced to serve 30 days in the county jail and to pay a \$15 fine with costs of \$6.25. The object of Mr. Sweeney's Yuletide largesse was arrested by Officer Harry Gamble on North Main street late last night.

## Christmas Tree is in Place.

The community Christmas tree has arrived. Yesterday men went out and brought it in. As soon as possible the process of erecting it was begun, which excited the interest of large numbers of passersby to and from the shopping district. The tree was raised into its position by means of block and pulley ropes attached to one of the big trees on the park. The old elm to which the tree was fastened, nearly broke its back in lending its aid.

Owing to delay in the arrival of the electrical material to be used the tree will probably not be illuminated before tomorrow night. However, electricians are busily at work to-day and if they can get through in time the current will be turned on to-night. It is expected that many people from the outlying districts who cannot get into the city on the night for which the program is planned, will take advantage of seeing the tree lighted up by coming in some time earlier. It has been announced that in case the weather did not permit for the exercises to be held Thursday night, they would be postponed until the same hour on Friday. Should the weather be bad Friday night, the program, in the order planned will be carried out in the open house. Manager Frank Austin of the opera house has kindly offered the use of the theatre for that evening.

Miss Claire Miles, a student at Mount St. Mary's academy in Burlington, arrived in the city to-day to pass the holidays at the home of her father, H. M. Miles of West street.

388 PATIENTS  
WERE RECEIVED

Increase of 87 Over Previous Year at Barre City Hospital

INCOME FOR YEAR  
WAS \$122,070

Dr. O. G. Sweeney Re-elected President of Corporation Last Evening

The annual meeting of the Barre City Hospital corporation was held at the city court room last evening, when annual reports were read and officers elected. These reports showed the number of patients cared for at the hospital the past year to have been 388, an increase of 87 over the number treated in the previous year. There were 45 births at the hospital during the year. The total day's treatment for the year were 4,483. The hospital has done more charity work than in any previous year, the number of days of free bed treatment being \$35, or equal to more than two free beds in continuous use. The income of the hospital for the year, including cash on hand at the beginning, was \$10,122.07 and the expenditures \$9,694.95, leaving a balance on hand Dec. 1 of \$427.12. Following is the financial statement for the year:

Building Account.	
Dec. 1, 1914, Balance on hand	\$13,832.87
"Income from subscriptions	8,111.00
Proceeds of mortgage	30,000.00

Dec. 1, 1915, Balance	427.12
	\$10,122.07 \$10,122.07

The building committee reported its labors nearly completed. Its report was as follows: "This committee was appointed to take charge of plans and construction of the new building in March, 1914. Mr. Edward F. Stevens having been selected as architect previous to this time, the preparation of plans was immediately begun and as soon as completed bids for construction of the building were asked for and the contract was awarded to the lowest bidder."

"On July 27, 1914, ground was broken for the new building. On August 4, 1915, the new structure was turned over to the trustees and dedicated to hospital service. This did not complete the labors of this committee, as several minor matters remained to be straightened out and one or two still remain to be adjusted before our labors will have been completed, but we are practically through."

"The contract price for the construction of the hospital building was \$68,411.11. In the course of construction, additions and changes were made that increased the sum to \$84,824.15 and the architect's fee brought the total cost of the building up to \$74,347.85, as follows:

James E. Cashman, builder	\$48,824.15
Peck Bros. Co., plumbing	6,343.09
Peck Bros. Co., heating and ventilating	9,042.83
John E. Bowker, electric wiring	1,266.00
Berges & Lindemann, chimney	806.00
George T. McLaughlin, Co., elevator	2,055.00
Edward F. Stevens, architect	5,321.48
	\$74,347.85

"For furnishing and equipping the new hospital, extra grading, etc., your committee has made additional expenditures as follows:

A. E. Jones & Co., refrigerator	\$520.00
John E. Bowker, lighting fixtures	897.20
Barre Electric Co., cables, etc.	296.00
B. W. Hooker & Co., furniture	1,000.00
